

## **SEFC 2017 SEFS Annual Meeting Exhibitor Invitation**

### **Co-Sponsored by Southeastern Fracture Consortium and The Foundation of Orthopaedic Research and Education.**

Join us at the Westin Poinsett, Greenville, South Carolina, January 26-28, 2017.

The SEFS 2017 Annual Meeting contract deadline is **December 15, 2016**.

Don't miss this opportunity to secure your booth space. Priority is given early contract signers. Contracts received after deadline will be assigned on a first-come, first-served basis.

Exhibiting with SEFS 2017 and signing up by deadline gets your company name in the preliminary conference brochure, which each invited participant receives. Exhibitors are recognized in conference materials, with signage and on sefs.org website with a link to your company, if provided on the agreement.

*We look forward to seeing you at the 2017 Annual Meeting and helping you make the best impact!*

As one of the region's most recognized organizations as leaders in orthopaedic trauma, SEFC provides excellent educational opportunities every year that bring together surgeons and allied health professionals, orthopaedic residents and fellows and the broader orthopaedic community. We encourage you to act promptly if you are interested in exhibiting at SEFS 2017.
