PRELIMINARY AGENDA
2017 SOUTHEASTERN FRACTURE SYMPOSIUM
30TH ANNIVERSARY
Thursday, January 26 - Saturday, January 28, 2017
Conference Location: Westin Poinsett, Greenville, SC
Cadaver Lab Location: Hawkins Foundation Surgical Training and Innovation Center, GHS

Joint Providership of The Foundation Orthopaedic Research and Education and The Southeastern Fracture Consortium Foundation

Educational Content is endorsed by the OTA

Reserve SEFC group block rate Deadline: 1-800-WESTIN1- January 5, 2017
Registration Online at http://sefs.org/registration
About SEFC

Welcome to the 30th annual meeting and anniversary celebration of the Southeastern Fracture Symposium, jointly sponsored by the Foundation Orthopaedic Research and Education, and the Southeastern Fracture Consortium. The consortium’s leadership and planning committee are represented by Medical University of South Carolina, Spartanburg Health Systems, Duke University, Carolinas Medical Center, Georgia Institute of Orthopaedic Trauma, Wake Forest University, University of Virginia, and University of North Carolina-Chapel Hill School of Medicine with SEFC members from the southeastern states. The research consortium group is well recognized for its research endeavors through national conference presentations and publications. SEFC welcomes your membership, your participation in this educational event and your involvement in our committees and research.

Course Description:

This course is designed to provide a comprehensive update on best practice and techniques for orthopaedic trauma care treatment and management. Leaders in orthopaedic trauma will share their expertise, challenging cases, and provide hands-on guidance in Cadaver Lab workshops. Ample time is provided for questions and answers, as well as direct interaction with the speakers.

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Foundation for Orthopaedic Research and Education (FORE) and the Southeastern Fracture Consortium Foundation. FORE is accredited by the ACCME to provide continuing medical education for physicians.

FORE designates this live activity for a maximum of 28.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Objectives:

At the conclusion of this course, the participant should be able to:

- Discuss strategies for successful fracture treatment by integrating ideas from current medical evidence and from demonstration and discussion with faculty experts. Be able explain lessons learned to peers at home institutions.
- Compare one’s own decision-making and surgical techniques to current standards.
- Identify areas for change of practice after analysis of current practice as compared to course content.
- Identify resources needed to provide up to date care, including complex surgical procedures, in order to provide high quality, safe and effective care.
- Identify implants appropriate for trauma care management. Recognize instruments and implants needed to support best practice orthopaedic management.
- Practice utilization of implants to support orthopaedic surgical procedures.
- Participants will bridge potential knowledge gaps about orthopaedic trauma research efforts and be able to organize and design quality research projects to address clinical concerns to improve outcomes.
- Self-Assessment Examination (SAE) will provide participants an awareness of individual knowledge gaps which can be addressed post conference through individual self-study programs.
Target Audience:
Orthopaedic surgeons, fellows, residents, mid-level practitioners, surgical assistants, nurses, industry professionals and other orthopaedic trauma professionals.

Self-Assessment Examination (SAE) – Included in Registration fee for physicians
SEFC is proud to offer the Self-Assessment Exam (SAE) to physicians registering for SEFS 2017. SEFC will provide physician registrants a link to the ABOS Approved SAE. This link will be active from the time of registration until February 15, 2017. Completing the exam will earn an 10 Category 1 CME that can be counted as SAE towards meeting ABOS MOC requirements. The SAE exam is inclusive in the course registration fee for physicians.

SEFS 2017 Planning Committee

SEFC Founding Fathers

Thank you to Wake Forest Baptist Orthopaedics for years of support for the mission of SEFC.
PRELIMINARY AGENDA

January 26, 2017 - Thursday evening

Annual SEFC Research Session- 7:00-10:00PM - Joe Hsu, MD, Moderator

For Members presenting SEFC multi-center updates and new study hypothesis, *Maximum 4 AMA PRA Category 1 Credits™*

7:00- 8:00pm: Outcomes and Analysis of Active SEFC Multi-center Studies – SEFC members presenting multi-center study updates email Progress reports to bkulp@sefs.org by January 20, 2017. Download forms sefs.org conference page

8:00-10:00pm: New SEFC Multi-center Proposals- SEFC members presenting new studies email Executive Summary to bkulp@sefs.org by January 20, 2017. Download forms sefs.org conference page.

Friday, January 27, 2017

GENERAL SESSION

600-7:30 AM Breakfast in Exhibit area

**General Session:** 7:30-7:40 AM Welcome/Introductions- Weiss/Hartsock

**Session 1 - 7:40-9:10 AM Fragility Fractures:** Moderator- Weiss

7:40-7:55- Osteoporosis- What is our role as Orthopedists? TBA
7:55-8:10- Proximal Femur Fractures- update on treatment options -Seamon
8:10-8:25- Periprosthetic Fractures- How to treat -Tucker
8:25-8:40- Atypical Femur Fractures -Recognize the warning signs - TBA
8:40-8:55- Geriatric Fracture Programs- How to set up/certification- Weiss
8:55-9:10- Q and A/Discussion

**Session 2 - 9:10-10:40 AM - How to make it through a night on call:** Moderator- Hymes

9:10-9:25- Open Fractures- go or wait? - Kahler
9:25-9:40- Displaced Talus/Calcaneus fractures- how to temporize- Moghadamian
9:40-9:55- Femoral Neck Fracture in the Young Patient- Dziadoz
9:55-10:10- Pediatric Supracondylar fracture- What if the Hand is Pulseless- TBA
10:10-10:25- Pelvic Ring Fractures- How to Temporize - Hymes
10:25-10:40 -Q and A/Discussion

Break 10:40-11:00 AM
Session 3- 11:00-12:00 PM - Ankle Fractures: Moderator – Yarboro
11:00-11:15- Syndesmosis Injuries- How to Evaluate and Treat - Bruggers
11:15-11:30- Posterior Malleolus- Is there a critical size? - Yarboro
11:30-11:45- Impaction injuries- How to recognize and Treat - Floyd
11:45-12:00- Discussion, Q and A

Session 4- 12:00-12:55 PM - SEFC 30th Anniversary Lunch Session: Moderator – TBA
12:00-12:15 Founding of SEFS - TBA
12:15-12:30- Pearls from the Founders - TBA
12:30-12:45- Most Challenging Cases over the Years - TBA
12:45-12:55- Future of Consortiums - TBA

Session 5-12:55-2:25 PM - Upper extremity fractures: Moderator - Jeray
12:55-1:10- Proximal Humerus Fractures- ORIF - Norris
1:10-1:25- Proximal Humerus Fractures- Arthroplasty - TBA
1:25-1:40- Clavicle Fractures- When to Fix/Options for Fixation - Jeray
1:40-1:55- Elbow Fractures- Tips for success - Reid
1:55-2:10- Distal Radius fractures- Do They All Need to Be Fixed? - Chan
2:10-2:25- Discussion/Q and A

Break 2:25-2:45 PM

Session 6- 2:45-4:00 PM - Fractures About the Knee: Moderator – Carroll
2:45-3:00- Distal Femur Fractures- Tips for Successful Treatment - Halvorsen
3:00-3:15- Knee dislocations- Temporize or Treat? - JD Adams
3:15-3:30- Patella fractures- Options for Treatment - Carroll
3:30-3:45- Tibial Plateau Fractures- The Good the Bad and the Ugly - Lochow
3:45-4:00- Discussion, Q and A

Session 7-4:00-5:00 PM - Updates on coding and policy: Moderator- Broderick
4:00-4:15- ICD-10 Update- Broderick
4:15-4:30- AAOS Update - Cannada
4:30-4:45- Clinical practice Guidelines- Hip fracture/Distal Radius Fracture - Olson
4:45-5:00- Choosing Wisely Campaign/Patient Safety – TBA

Session 8- 5:00-6:30 PM Poster Tour
Poster Participants present- winner selected by Committee

Vendor Reception: 5:00-6:30 PM

6:30- Faculty Dinner PM
Saturday, January 28, 2017

Cadaver Labs and Small Group Case Discussions
6:30-7:30 AM - Continental Breakfast-Westin Poinsett
7:30 AM - MEET Shuttle to Cadaver Lab-front of Westin Poinsett

8:00-1:00 AM Cadaver Lab-Hawkins Foundation Surgical Training and Innovation Center/Greenville HS
Cadaver Lab Plan:

- Attendees split into 2 main groups of learners
- Rotations between cadaver sessions and small group case presentation/discussions
  - Group 1- Cadaver lab dissections in first session; Small groups in second session
  - Group 2- Small groups in first session; Cadaver lab in second session
- Small group session plan
  - Other large group split into 2 smaller groups.
  - Each small group will spend ½ session on upper extremity; ½ session on lower extremity

8:00- 8:30 AM- Lab Setting Orientation and Preparations
8:30- 9:30 AM - Rotation 1

Group 1- dissection-lower extremities: distal femur, proximal tibia and distal tibial/ankle
Group 2a- small group discussion-lower extremities case presentations
Group 2b- small group discussion-upper extremities case presentations

9:30-10:30 AM - Rotation 2

Group 1- dissection-upper extremities: proximal humerus, elbow plates and distal radius.
Group 2a- small group discussion-upper extremities case presentations
Group 2b- small group discussion-lower extremities case presentations

10:30-10:50 AM - Break

10:50-11:50 AM –Rotation 3

Group 1a- small group discussion-lower extremities case presentations
Group 1b- small group discussion-upper extremities case presentations
Group 2- dissection-lower extremities: distal femur, proximal tibia and distal tibial/ankle

11:50-12:50 PM- Rotation 4

Group 1a- small group discussion-upper extremities case presentations
Group 1b- small group discussion-lower extremities case presentations
Group 2- dissection-upper extremities: proximal humerus, elbow plates and distal radius.

12:50 PM- Final discussion
1:00 PM - Adjourn-Shuttle to departure- *(Available for early departure by prior request).*
SEFS 2017 REGISTRATION FORM

Online registration at [http://sefs.org/registration](http://sefs.org/registration)

For Mail in: Complete Registration Form and pay by check:

*Complete all blanks are to ensure CME awarded appropriately.*

*Registration confirmation will be sent to email provided below. Please type or print legibly.*
