ABOUT THE CONFERENCE

Symposium Overview

The Southeastern Fracture Symposium is a CME-accredited event specifically tailored for orthopaedic trauma professionals. Renowned leaders in orthopaedic trauma gather to share their expertise, present challenging cases, and discuss the latest advancements in fracture care. Small group settings ensure personalized interactions and meaningful discussions amongst faculty and attendees. Ample time is provided for attendees to meet and socialize with exhibitors throughout the conference, getting first-hand knowledge about innovation in the industry. The annual symposium is accredited by the ACCME to provide continuing medical education for physicians. This event provides the opportunity to earn AMA PRA Category 1 Credit(s)™.

Who we are

The Southeastern Fracture Consortium (SEFC) is a dynamic non-profit foundation with a rich history of improving the multidisciplinary treatment of orthopaedic trauma patients in the southeastern United States and beyond. SEFC provides forums for skilled orthopaedic surgeons, researchers, and allied health professionals to come together and unlock endless possibilities in orthopaedic trauma. SEFC is a foundation with multi-disciplinary members from leading hospitals and universities across the United States.

Who Attends

The Southeastern Fracture Symposium is the meeting of choice for orthopaedic surgeons and allied health professionals. We have a collaborative approach to provide research and education opportunities for surgeons, fellows, residents, physician assistants, nurses, and other members of the care team, as well as dedicated research teams. SEFC provides continuing medical education, research collaboration, and opportunities to foster networking to those individuals who are on the forefront of orthopaedic trauma.

Many of **our attendees are:**

Transform your approach to **patient care**.

Implement change in your practice.

Expand your **knowledge**.

You're in the **RIGHT** place.

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and the Southeastern Fracture Consortium. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

The American Academy of Orthopaedic Surgeons designates the Southeastern Fracture Consortium (SEFC) Symposium, January 23-25, 2025, in Chapel Hill, North Carolina (live activity) for a maximum of 17.5 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Membership

The Southeastern Fracture Consortium is dedicated to expanding its membership and enhancing member benefits. Here are some benefits we offer:

Enjoy exclusive benefits such as discounts for the next annual conference and access to member-only content.

Build relationships and collaborate with leaders in OrthoTrauma.

Participate in high-level multi-center research programs and contribute to Orthopaedic Trauma research.

Receive exclusive invitations to serve as faculty members and explore organizational leadership opportunities.

We encourage you to share the value of our annual conference with your colleagues. We're committed to fostering a thriving community and welcome member suggestions to advance our mission.

WAYS TO WIN

3 Ways to Win at SEFS 2025

- 1. Door Prize Raffles:** Collect your raffle ticket at the registration table and keep it with you throughout the conference. Lucky attendees will be chosen at random for fun prizes between each session!
- 2. Silent Auction:** Explore and bid on unique items and experiences until 9pm on January 31st. Your bids support the Southeastern Fracture Consortium's work in education, research, and developing additional member benefits. Winning bidders will receive receipts for their charitable contributions. All items will be shipped directly to your home once the auction closes. Bid, win, and contribute to a great cause!
- 3. Exhibit Passport Challenge:** Spend meaningful time with our exhibitors and learn about the latest in Orthopaedic Trauma solutions and products. Exhibitors will sign off on your passport - receive one ticket for each signature. Complete your passport by visiting all exhibitors and earn five bonus tickets! Enter the drawing for your choice of prizes. Final submission of tickets are due at the end of the last break on Saturday - drawings will take place during the last session!
